**CONTINUATION:**

On April 29, 2016, Border Patrol Agents assigned to the Field Intelligence Team (FIT) Unit provided information to the South Texas Corridor McAllen Area Joint Targeting Team (JTT) Agents regarding a vehicle with links, Maria De Jesus PARRA-Rocha. FIT Agents advised that they found the vehicle at 1721 N. McColl Road Lot#179. FIT Agents stated that at the location lived a known stash house care taker identified as David Saenz.

On May 9, 2016, at approximately 9:00 a.m., Agents E. Ruiz and F. Elizondo along with JTT agents began mobile surveillance at 1127 N. McColl Rd, Edinburg, Texas. At approximately 12:00 p.m. BPA Cantu observed a blue sedan arrive at the target location and an unknown female exited the vehicle and walked inside. Moments later, Agent Cantu advised that a male subject entered into a GMC Denali bearing temporary license plates registered to Maria De Jesus Parra-Rocha. The same female that had arrived earlier in the sedan also boarded the GMC Denali. Agent Cantu also observed the male subject walk outside the mobile home with two excessively large trash bags and proceeded to drive to a trash container. Subject disposed of the bags and proceeded to exit the mobile home park.

JTT Agents continued mobile surveillance on the vehicle and followed at a distance. The vehicle was then followed to the Hidalgo County Jail, where the male subject walked into the visitor center where he remained for approximately 15 minutes. After departing the County jail, JTT Agents continued to follow the vehicle at distance and observed it turning westbound on Monte Cristo Road. The vehicle then made an immediate stop off the shoulder of Monte Cristo. Agents J. Castillo and Pina then observed the GMC Denali from a distance turn southbound on Conway from Monte Cristo. Agents J. Castillo and Pina observed a marked Texas Department of Public Safety Trooper making contact with the driver of the GMC Denali since the vehicle had once again made an immediate stop along the road and activated its hazard lights. At this time, Agents made an approach in an attempt to identify the occupants of the vehicle. As Agents J. Castillo and R. Pina were approaching the vehicle, DPS Officer Ray was talking to a male subject standing outside the vehicle.

During the brief interview, agents were able to identify the driver of the GMC Denali as David Saenz. David Saenz had been previously identified as a stash house care taker on a previous administrative smuggling cases. Due to this information, SAENZ was asked where he resided, and stated he resided at 1721 N. McColl Rd, Edinburg, Texas. BPA Salinas asked SAENZ if he had anything illegal at his residence, and responded that he did not. SAENZ was asked if he was willing to give consent to search his residence to what SAENZ responded yes. Before SAENZ signed the consent form, he verbally stated that he was holding undocumented aliens and his residence. SAENZ then admitted that there were approximately 38 undocumented aliens at his residence located at 1721 N. McColl Rd, Edinburg, Texas.

**CONTINUATION:**

Agent Salinas proceeded to make contact with the female passenger who was believed to be Maria De Jesus PARRA-Rocha, since she is the registered owner of the vehicle. Agent Salinas then determined that the passenger of the vehicle was in fact Brenda Guadalupe PERALES-Martinez, a citizen and national of Mexico, and not PARRA-Rocha. PERALES told agents she did not have any legal documentation to remain in the United States legally. During questioning, she stated that she was at location dropping off a vehicle that she had borrowed from SAENZ. When asked if she knew if there were any undocumented aliens she replied that she had no knowledge.

Border Patrol Agents along with HSI Special Agent I. Garza Jr. approached the target location and a knock was initiated at the front door, but no one answered. A key of the front door was provided by SAENZ, and the front door was opened. A search of the trailer resulted in a total of 37 undocumented aliens.

All subjects were transported to the McAllen Border Patrol Station for interview and case preparation.

**PRINCIPAL STATEMENTS:**

David SAENZ and Brenda Guadalupe Perales-Martinez were read their Miranda Rights, stated they understood their rights and was willing to provide a sworn statement without the presence of an attorney.

**PRINCIPAL STATEMENT: David Saenz**

David SAENZ stated that he departed his trailer today with a friend of his wife named Brenda and three children. SAENZ claims he knew he was being watched by law enforcement and expected to be pulled over shortly after leaving his residence. He stated that he pulled over the side of the road after noticing that he was being followed by a Department of Public Safety officer. A DPS Trooper approached him and a short time later, plain-clothed agents approached him and asked him if he was keeping anything in his house. SAENZ freely admitted that he was harboring approximately thirty-five to thirty-eight undocumented immigrants in his trailer. SAENZ admitted to being paid \$30 dollars per person/per day for harboring the undocumented aliens at his trailer. SAENZ also admitted to providing food and water to the undocumented aliens while they were being kept at his residence.

**NOTE:**

On April 11, 2012, David Saenz was convicted of 8 USC 1324 Transporting Aliens and was sentenced to four (4) months confinement and two (2) year SRT.
